

Prophecy Fulfilled: “And the River was turned to Blood” Kamal 11, 172 B.E. (8/11/2015)

Dear Friends,

What has happened in our New Jerusalem from the years 1996 on August 6th until recently? The Covenant-breakers have attacked the Twin Establishers of the Baha'i Faith, the prophesied Joshua and Zerubbabel—the two witnesses mentioned in Revelation chapter 11—that bear witness to the Reality of the twin Testaments of the Kitab-i-Ahd and the sacred Will and Testament of 'Abdu'l-Baha. These attacks have been levied against the person of the living Davidic King (the guardian) in every way imaginable and unimaginable, but God has prevailed against these peoples and “brought forth his servant the Branch” (Zech. 3:8 KJV) in the year 2001 AD. In 2012 he announced his “four corners medicine wheel prophecy” re-activating 'Abdul-Baha's Tablets of the Divine Plan. This meant the election of the first US National Council since the violation of the Covenant in 1957–1960, which took place in Ridvan 2015.

Now in the prophesied location of “the Four Corners” (Is. 11: 12) passing through the precise spot of the “four corners” (see map below) God has fulfilled his words in the Book of Revelation: “And the third angel poured out his vial upon the rivers and fountains of waters; and they became blood. And I heard the angel of the waters say, Thou art righteous, O Lord, which art, and wast, and shalt be, because thou hast judged thus. For they have shed the blood of saints and prophets, and **thou hast given them blood to drink**; for they are worthy” (Rev. 16:4,5 & 7 KJV) in the Animas River disaster of the Four Corners with such high content of iron (“About 70 percent of your body's iron is found in the **red blood cells of your blood** called hemoglobin”) and other heavy metals turning the river to blood and toxic poison:

<http://www.npr.org/sections/thetwo-way/2015/08/10/431223703/epa-says-it-released-3-million-gallons-of-contaminated-water-into-river>

This disaster has occurred EXACTLY 19 years [one vahid] to the day of the ascension of the Establisher, Knight of Baha'u'llah, Dr. Leland Jensen: August 6th 1996 + 19 years = 2015. [In addition it is exactly 70 years to the day from the dropping of the atomic bomb on the Japanese city of Hiroshima, the act which fulfilled the "Gourd

of Ashes” prophecy given by the Hopi people. 70 years is the prophetic Biblical time cycle given as “a time, two times, and half a time”, where a “time” is calculated as a score which is 20 years.] It should be kept in my that I gave the date for the Trade Tower 9–11 from the start date of his ascension in 1996 on this very day of August 6: see chart [Collapse of the Two Towers: Second Woe – Prophecy Chart](http://www.bupc.org/prophecy-charts-2.html). This current “river to blood”: thus fits into the extension of this prophesied time line of the “three woes” in the prophesied Cycle of the Seven Seals I have explained in my firesides, deepenings and table talks that has occurred in time for the prophesied “four blood moon” events (the Tetrad) that takes place in the Guardians 49th year (1966 + 49 years = 2015) and then the jubilee.

<http://www.bupc.org/prophecy-charts-2.html>

In my mission it states: “He will lift a signal flag [Divine Standard, Banner of the genealogy of Baha’u’llah <http://www.bupc.org/genealogy/genealogy-of-christ.html>] for the nations; he will gather Israel’s dispersed people and assemble Judah’s scattered people from “the four corners” [Colorado Plateau] of the earth” (Is. 11:12 Net Bible). The river turning to blood is the signal of the flag of “the blood of the Covenant” being raised in that area and the attack by those whom Baha’u’llah calls “the manifestations of satan” against our efforts [“Michael and his angles fought” Rev. Ch. 12] in the promised area of the four corners that includes all sacred spaces on the Colorado Plateau and Grand

Mesa/Chair Mountain area and is the signal for the judgement and defeat of “satan”: “Satan will be released from his prison [Covenant-breakers attack the guardian seated upon King David’s throne (Michael and his angels—see Rev 12 for the 6–66 Injunction)] and will come out to deceive the nations [turn the people away from Michael and his angels] that are at the four corners of the earth, Gog and Magog [Ez Ch. 38 and 39, Russia will be dragged into this at this time], to gather them for battle [oil battle for control of the Middle East]; their number is like the sand of the sea. And they marched up over the broad plain of “the earth” [they were the ex-followers educated by Dr. Leland—the land—Jensen’s teachings] and surrounded the camp [camp Bahá] of the saints [guardian’s personal home and family] and the beloved city [New JerUSAlem in the Rocky Mountains], but fire came down from heaven [the heaven of prophecy] and consumed them, and the devil [personal individual arch-violators—whose symbol is the dragon—see Rev. 12] who had deceived them was thrown into the lake of fire and sulfur where the beast [materialists, partiers, drunks, adulterers, deceptive music, false merriment, money-mongers, shopaholics, and drugs (Matt. 24:38, 39)] and the false prophet were, and they will be tormented day and night forever and ever” (Rev 20:7–10 ESV).

So it is written “and [the two witnesses: Joshua and Zerubbabel] have power over waters to turn them to blood” (Rev. 11: 6 KJV) that ‘Abdu’l-Baha explains this verse in SAQ: “if they wished, they could turn the water of the Nile into blood, so far as the Egyptians and those who denied them were concerned—that is to say, that that which was the cause of their life, through their ignorance and pride, became the cause of their death. So the kingdom, wealth and power of Pharaoh and his people, which were the causes of the life of the nation, became, through their opposition, denial and pride, the cause of death, destruction, dispersion, degradation and poverty. Hence these two witnesses [who have returned and appeared repeatedly in every dispensation with different names in different places] have power to destroy the nations” (‘Abdu’l-Baha, SAQ, Commentary on Rev Ch. 11).

Now I tell you truthfully that these cites and towns all throughout the New Jerusalem in the Rocky Mountains have been peppered with Covenant-breakers and people raised up by myself and Dr. Leland Jensen who have cared nothing for the Baha’i faith at all but only for to save their own lives or increase their own personal power, self

prowess and personal gains. They came to the mountains not to become believers in God but to either save their own skins, so to speak or to take the knowledge we have given freely to bunk-up “chair mountain churches” and “survivalist groups” for their own personal aggrandizement and empowerment all in opposition to the Baha’i Faith and the Covenant of Baha’u’llah and the successorship of the throne of King David. Through back-biting, gossip, slander, character assassination, mis-information, disinformation and even down right lies they have sought to attack this Covenant and Baha’i faith and invalidate the blood of over 10,000 Bab’i martyrs and 20,000 Baha’i martyrs by attacking and poisoning the people against these Twin promised ones who have appeared in the United States and back-stabbing their wives and family members, and fellow believers in the Covenant of Baha’u’llah and the sacred Will and Testament of ‘Abdu’l-Baha. “Blood” they have taken and the Revelation states “blood is their due!”

Those of the nations outside of this area all know that we have a 100% track record yet they have suppressed the unfurling of the Divine Banner <http://www.bupc.org/genealogy/genealogy-of-christ.html> at the 9-11 event and have attempted by diverse means to move against the faith in its livelihood as well as in the material basis of its support-and while the poison spreads further into the Grand Canyon and poisons the water table for many, many peoples for years to come-the guardian and his friends have personally endured against them all in the courts and the civil and secular systems as well as the Arena of Absolute Truth and the Pavilion of the Supreme Reality because the violators have chosen to fight against God Himself and God has prevailed against these people. If only you could read the Book of Revelation (for your very own self) with your own eyes and not through the eyes of your neighbors you would see what is to occur next that is more disastrous than this minor taste of retributions...as one by one the enemies of the Cause of God, Shoghi Effendi explains, are met with that which is Condign: <http://uhj.net/condign-punishment.html>

What is the mysterious Power of “**Michael** and **his** angels” that comes not from money, nor politics, nor prestige, charisma or material backing? Why are all the forces in the universe unable to prevail against it? Why has the Faith grown to now encompass Iran, Bangladesh, India, all of Arabic speaking Islam, the Urdu speaking peoples, India, Syria, Turkey, the Middle East and those in Russia,

and the Far East? The more the hounds of personal appetites push against the truth—the brighter the fire of this unquenchable flame! The more they make fun of and attack the true believers in their very own homes, and inner family circles, the more God promises to save the pure of heart and spread the Faith far and wide. Does he do this to see the “unbelievers destroyed”? The Muslim, Christian and Jewish clergies would have **you** believe so, but the unbeliever is destroyed when he becomes a believer. And the wicked is destroyed when she becomes wise. Thus all shall taste death and become believers and wise souls after their mortal coil is bled dry—but most will believe in this wisdom—if you can call it that, says Paul—a crazy-wisdom (1 Cor. 1:20) that is foolish to the worldly-wise—who are looking into the Kingdom from far, far outside, and are unable to enter the Kingdom as Jesus said “not my will o Lord but thine”—not a threat but a fact—that they lack the capacity to serve that which is “other” than what ‘Abdu’l-Baha calls their “ever insistent self” and these instead fall by the sword of their own appetites into grievous errors—because they would have it NO other way. So the victory belongs to those who have died now (NDE), died away from self and passion, died away from old habits, from their stuck-up orgies, and “a’whoring around after false Guardians” as Dr. Jensen has said. Behold they have “died” and yet live for ever more” now in this life and in the next—but only for those who have seen the VISION, climbed the Mountain, so to speak, been filled with the Spirit, that do not apostatize their faith, but deepen in his loving kindness—“used their intellect to defeat antichrist”—for God so loved the world he sent his only begotten son that we should have life—eternal: and the son gave himself willingly though the masses comprehend him not!

“For it is written: I will destroy the wisdom of the wise, and I will set aside the understanding of the experts. ” (1 Cor. 1:19, Holman’s)

The hour has come in which the “golden censor” (of Positive-Leap 80) is filled with fire (9–11) and burning coals (4–11) from the “altar” and thrown upon the earth. This from the time of Dr. Jensen’s world wide media projection in 1980 and filled now with “fire” in the prophesied time of the jubilee of the tetrad blood moons in our day today.

Like those who loved Jesus—but fell “asleep” (Matt. 26:40) in the garden, those who are wakeful today in this day are those that shall

be elevated by God to fulfill this mission to gather the elect from the four corners of the world and be spared the chastisement, that Baha'u'llah states: "We have a fixed time for you, O peoples. If ye fail, at the appointed hour, to turn towards God, He, verily, will lay violent hold on you, and will cause grievous afflictions to assail you from every direction. How severe, indeed, is the chastisement with which your Lord will then chastise you!" (WOB, p. 201). "And the river shall be turned to BLOOD...

The prophecy of the "Blood river" is one of the greatest disasters ecologically in US history. Its flow down through New Mexico and Arizona is the sign to awaken the native people to the fulfillment of this real vision as we gave the "nine pointed star" back in the 1980s, and Dr. Jensen and his angels delivered the "missing cornerstone" to the Hopi peoples of these areas with the Navaho yet they rejected him and he was denied—but now they give the signal of the cornerstone restored by Grandfather Martin as Dr. Jensen and his angels gave it to them.

These nations will accept the Divine Banner and it shall be hoisted in their midst to all the people of the world.

THE RIVER TUNING TO BLOOD IS THE SIGNAL.

The Covenant and the Manifestations are the foundation of

civilization: as civilization if founded upon the spiritual qualities and attributes of God such as love, justice, honor, trustworthiness, mercy, humility, etc. We cannot have a society or any group activities without these basic qualities of co-operation and mutual respect! As these spiritual qualities and attributes emanate from the personal reality of God himself and are established as his image within creation in the appearance of the divine manifestations of God these are the glue of any group cohesion and effort. The attack on these 9 and the separation from the root of these Divine Revelators of progressive civilization is the downfall of society and the havoc (collapse) of the financial booty of war for the greedy and small minded. The greedy oil people and corrupt leaders of our cultures have either abandoned all hope or gone against this living spirit of Christ and thus we have the absence of these qualities in war, pestilence, famine, disease, ignorance and the disintegration of civilization.

This disintegration is so that the spiritual people of the nations and those beginning at the four corners will establish a true spiritual civilization—having tasted the blood of his covenant that recompenses the blood of the martyrs—not like a corrupt society like that which is dying out right now.

The release of this blood from the heart-land of the four corners (its inward spiritual purity of the blood of the covenant and outward lethal poison of the rivers) sets the signal for these events to unfold.

Blessed are those who have eyes to see and ears to hear. This spread throughout Utah and New Mexico into the Colorado River and Grand Canyon and has poisoned the water supply for Arizona and California that is now even in draught.

Wake up O People, says Baha'u'llah, for your time is short.

WASTEWATER SPILL THREATENS WATERWAYS

The Environmental Protection Agency has taken responsibility for inadvertently causing a 3 million gallon spill of toxic orange waste-water while trying to clean up an abandoned gold mine in Colorado.
