

Dear Neal "My dear Boy"  
 My purpose is to BOMBARD you  
 + your EDUCATOR with a dose  
 of your own Medicine.  
 Pepe  
 Florence, 10/5/91

WHAT DO YOU THINK??  
 ?????!

Dears, I think as Dear Neal Chase, the current Guardian of the Cause of God, has been always the one of followers ("at the top of list") of Dr. Jensen, the return of Jesus, so then the "Dear Neal's own Medicine" can not be anything but "the truth of his loyalty to the promised one of God". Therefore the "Medicine" means "being firm in the Divine Covenant". And this is the REAL medicine for our sick world.

Dear Brent: My purpose is  
 to BOMBARD Neal + Leland  
 with a dose of their own  
Ammunition  
 P.S. Distribute as you see fit, Pepe

Also what could be the "ammunition" of "Neal & Leland" except the "Power of the Covenant" if we've accepted Doc as the "Seventh Angel"?!?

p.s. Of course the "Medicine" refers to the Teachings of Jesus on his return too, as you all know it!

Yours, Iranian Baha'i @ [<http://www.persian-bupc.doodlekit.com/contact>]

.... So Pepe used the "ammunition" and did "appoint in his own life-time him that shall become his successor" exactly in that letter. [<http://www.persian-bupc.doodlekit.com/home>]
